2008 Astrolabe Sauvignon Blanc

On a voyage of discovery in the 1800s, the great ship 'The Astrolabe' visited the shores of Marlborough and discovered the region's significant beauty and potential. Today, its namesake has captured these qualities and created a distinctive range of wines - Astrolabe. Nurturing the attributes of the soil, vine and climate and combining these with his minimalist approach in the winery, Simon Waghorn transforms the region's grapes into stylish and expressive wines. Already with a cult following, wines from Astrolabe offer excitement, exclusivity and exceptional value.

Tasting Note

Recently recognised as the worlds best Sauvignon Blanc at the International Wine Show 2008 in London the Astrolabe Sauvignon Blanc backs up again after its success in 2007. With an bouquet of White and red currant leaf gooseberry lemon grass jalapeno and lime peel aromas this is New Zealand Sauvignon Blanc at its best.

2007 Mer Soleil "Barell Fermented" Chardonnay

The Mer Soleil Vineyard, located in the Santa Lucia Highlands appellation of Monterey County, is named for two natural forces that create its growing conditions: sea (mer) and sun (soleil). Mer Soleil's vines are nestled on lower slopes of the Sierra de Salinas range in what is one of the coolest, driest grape growing areas in California.

Tasting Note

Soft gold color. Richly perfumed nose, with light notes of honeysuckle, truffle and buttery oak. Full, layered flavors of tropical fruit are balanced by a bright acidity of sweet citrus, and linger though the long, creamy finish.

FEATURED RED

2003 Penfolds "Bin128" Shiraz

Tasting Note

The refined and compact 2003 Bin 128 sits comfortably and confidently in the mouth with an appealing texture and softened tannins. Berried fruits, stylish oak and lively acidity add to the palate appeal. Balanced and varietal.
